AQUALISA QUARTZ™ SMART CONCEALED

WITH ADJUSTABLE HEAD - HP/COMBI

DIMENSIONAL DRAWINGS

AQUALISA QUARTZ™ SMART CONCEALED

WITH ADJUSTABLE HEAD - HP/COMBI

.....

TECHNICAL SPECIFICATIONS

Maximum pressure requirements 7 bar Processor inlet fitting connections 15mm push fit Valve inlet centres 48mm Inlet supply positions Hot right, cold left Processor outlet fitting connection 15mm push fit Permissible processor sitting location Loft, airing cupboard, under bath Cold inlet temperature 1°C (minimum) Cold inlet temperature 65°C (maximum) Hot inlet temperature 65°C (maximum) Hot inlet temperature 65°C (maximum) Water system HP / Combi / Boosted gravity One touch start/stop control LED display indicates when pre-selected temperature has been reached Boost button for enhanced flow Compatible with wired remote control 105mm, 4 spray patterns (adjustable head) including eco-spray option Colour Chrome S-year guarantee – shower unit 2-year guarantee – shower head and kit CE Marking		
Processor inlet fitting connections 15mm push fit 48mm Inlet supply positions Hot right, cold left Processor outlet fitting connection 15mm push fit Cold inlet temperature 1°C (minimum) Cold inlet temperature 15°C (maximum) Hot inlet temperature 15°C (maximum) HP / Combi / Boosted gravity One touch start/stop control LED display indicates when pre-selected temperature has been reached Features Boost button for enhanced flow Compatible with wired remote control 105mm, 4 spray patterns (adjustable head) including eco-spray option Colour Chrome S-year guarantee – shower head and kit CE Marking	Minimum pressure requirements	1 bar
Inlet supply positions Hot right, cold left Processor outlet fitting connection Ismm push fit Loft, airing cupboard, under bath Cold inlet temperature 1°C (minimum) Cold inlet temperature 1°C (maximum) Hot inlet temperature 65°C (maximum) Water system HP / Combi / Boosted gravity One touch start/stop control LED display indicates when pre-selected temperature has been reached Boost button for enhanced flow Compatible with wired remote control 105mm, 4 spray patterns (adjustable head) including eco-spray option Colour Chrome Sugarantee period Approvals Approvals	Maximum pressure requirements	7 bar
Inlet supply positions Hot right, cold left Processor outlet fitting connection 15mm push fit Loft, airing cupboard, under bath Cold inlet temperature 1°C (minimum) Cold inlet temperature 1°C (maximum) Hot inlet temperature 65°C (maximum) Hot of left temperature 65°C (maximum) Hot of left temperature 65°C (maximum) Hot of left temperature 65°C (maximum) Water system HP / Combi / Boosted gravity One touch start/stop control LED display indicates when pre-selected temperature has been reached Boost button for enhanced flow Compatible with wired remote control 105mm, 4 spray patterns (adjustable head) including eco-spray option Colour Chrome 5-year guarantee – shower unit 2-year guarantee – shower head and kit CE Marking	Processor inlet fitting connections	15mm push fit
Processor outlet fitting connection 15mm push fit Loft, airing cupboard, under bath Cold inlet temperature 1°C (minimum) Cold inlet temperature 15°C (maximum) Hot inlet temperature 65°C (maximum) Water system HP / Combi / Boosted gravity One touch start/stop control LED display indicates when pre-selected temperature has been reached Boost button for enhanced flow Compatible with wired remote control 105mm, 4 spray patterns (adjustable head) including eco-spray option Colour Chrome S-year guarantee – shower unit 2-year guarantee – shower head and kit CE Marking	Valve inlet centres	48mm
Permissible processor sitting location Loft, airing cupboard, under bath Cold inlet temperature 1°C (minimum) Cold inlet temperature 15°C (maximum) Hot inlet temperature 5°C (maximum) Water system HP / Combi / Boosted gravity One touch start/stop control LED display indicates when pre-selected temperature has been reached Boost button for enhanced flow Compatible with wired remote control 105mm, 4 spray patterns (adjustable head) including eco-spray option Colour Chrome 5-year guarantee – shower unit 2-year guarantee – shower head and kit CE Marking	Inlet supply positions	Hot right, cold left
Cold inlet temperature 1°C (minimum) Cold inlet temperature 1°C (maximum) Hot inlet temperature 65°C (maximum) Hot inlet temperature 65°C (maximum) HP / Combi / Boosted gravity One touch start/stop control LED display indicates when pre-selected temperature has been reached Boost button for enhanced flow Compatible with wired remote control 105mm, 4 spray patterns (adjustable head) including eco-spray option Colour Chrome 5-year guarantee – shower unit 2-year guarantee – shower head and kit CE Marking	Processor outlet fitting connection	15mm push fit
Supply temperature Cold inlet temperature 15°C (maximum) Hot inlet temperature 65°C (maximum) HP / Combi / Boosted gravity One touch start/stop control LED display indicates when pre-selected temperature has been reached Boost button for enhanced flow Compatible with wired remote control 105mm, 4 spray patterns (adjustable head) including eco-spray option Colour Chrome 5-year guarantee – shower unit 2-year guarantee – shower head and kit CE Marking	Permissible processor sitting location	Loft, airing cupboard, under bath
Peatures One touch start/stop control LED display indicates when pre-selected temperature has been reached Boost button for enhanced flow Compatible with wired remote control 105mm, 4 spray patterns (adjustable head) including eco-spray option Colour Chrome 5-year guarantee – shower unit 2-year guarantee – shower head and kit CE Marking	Supply temperature	Cold inlet temperature 15°C (maximum)
Eeatures Boost button for enhanced flow Compatible with wired remote control 105mm, 4 spray patterns (adjustable head) including eco-spray option Colour Chrome 5-year guarantee – shower unit 2-year guarantee – shower head and kit CE Marking	Water system	HP / Combi / Boosted gravity
Features Boost button for enhanced flow Compatible with wired remote control 105mm, 4 spray patterns (adjustable head) including eco-spray option Colour Chrome 5-year guarantee – shower unit 2-year guarantee – shower head and kit CE Marking	Features	One touch start/stop control
Compatible with wired remote control 105mm, 4 spray patterns (adjustable head) including eco-spray option Chrome 5-year guarantee – shower unit 2-year guarantee – shower head and kit CE Marking		LED display indicates when pre-selected temperature has been reached
Tolour Chrome Guarantee period 5-year guarantee – shower unit 2-year guarantee – shower head and kit CE Marking Approvals		Boost button for enhanced flow
Colour Chrome 5-year guarantee – shower unit 2-year guarantee – shower head and kit CE Marking		Compatible with wired remote control
Guarantee period 5-year guarantee – shower unit 2-year guarantee – shower head and kit CE Marking		105mm, 4 spray patterns (adjustable head) including eco-spray option
Guarantee period 2-year guarantee – shower head and kit CE Marking	Colour	Chrome
2-year guarantee – shower head and kit CE Marking Approvals	Guarantee period	5-year guarantee – shower unit
Approvals		2-year guarantee – shower head and kit
	Approvals -	CE Marking
