

IMAGINE

EXTRAORDINARY
SHOWERING

AQUALISA Q™

IMAGINE

We dreamt of a shower that would wake up when you do and be ready for when you are. A shower that would say Hello to you and remember the last time you loved being in it and let you re-create that moment. We dreamt of a place in water where you could be yourself.

INSPIRE

Sensory and functional. A pleasure to the touch. From the glossy finish of the glass screen to the bevelled edges of the temperature bezel. Q's lever, controlled by magnets, glides effortlessly easing your navigation through the menu, drawing you in to want to press it and move it again and again.

PLAY

Choose. Match. Clash. Change. Collect.
Q™ comes dressed in Stardust Silver.
You can change it, for good or for fun,
to Lagoon Blue, Sunrise Orange,
Shadow Grey and Polar White.
Change colour, collect them all,
or stay with one.

ENJOY

For a well-deserved reboot shower after a great run that made you feel like a winner. Choose **SPORT**.

After a hard day, **ECO**, invigorating and cooler, saving water. You did promise yourself a guilt-free reward after all.

For the kids who would love to spend hours in the water, there is **FAMILY**, a 7 minute timed shower. The white rabbit of water wonderland.

A shower for every day, everyone and every mood. Every time.

CREATE

Life is full of complicated decisions. Not with MyQ™. For the shower you dream of having right now, there are four,

TEMPERATURE, FLOW,
OUTLET, TIME

Save it

Q™ will do the remembering

ACCESSORISE

One handset to match your shower. One generous drencher head. One really smart bath fill that remembers how full you want your bath and one remote control, so that your shower is ready and waits for you, and not the other way around.

BELIEVE

Behind every dream, there is great imagination.
Q™ was borne out of precision engineering, award-winning technology and pioneering innovation. Q™ was imagineered with a great dose of passion, utter dedication and the British love for design and engineering.
